OHIO SCHOOL HEALTH HISTORY

Instructions:

1. A parent or guardian must complete pages 1-3.

2. A physician must fill out and sign pages 4-5.

3. The oral assessment on page 6 is optional, but highly recommended.

4. Please document on the health history form and inform the school nurse if your child has any health problems, allergies, or will be taking medication at school. If your child has an allergy, please have your physician document the prescribed treatment on the Physical Assessment form or appropriate medication form. Please inform the district nurse if your child takes medication at home.

5. Please attach a copy of your child's immunization records to this Ohio School Health History.

6. Vision and Hearing Screenings of all Kindergarten students will be done next fall. Parents will be notified by a written referral if your child will need further medical evaluation.

Ohio Department of Health

Ohio Immunization Summary for School Attendance

VACCINES	FALL 2022 Immunizations for School Attendance
DTaP/DT Tdap/Td Diphtheria, Tetanus, Pertussis	**K-12** Four or more doses of DTaP or DT, or any combination. If all four doses were given *before the fourth birthday*, a fifth dose is *required.* If the fourth dose was administered at least six months after the third dose, and on or after the fourth birthday, a fifth dose is not required.* **Grades 1-12** Three doses of Td or a combination of Td and Tdap is the minimum acceptable for children ages 7 years and older with the first dose being Tdap. Minimum spacing of four weeks between doses 1 and 2, and six months between doses 2 and 3. **Grade 7** One dose of Tdap vaccine must be administered on or after the 10th birthday. ** ***All students in grades 8-12 must have one documented Tdap dose.***
POLIO	**K-12** Three or more doses of IPV. *The FINAL dose must be administered on or after the fourth birthday,* regardless of the number of previous doses ***and*** *there must be six months spacing between doses 2 and 3.* If a combination of OPV and IPV was received, four doses of either vaccine are required.
MMR Measles, Mumps, Rubella	**K-12** Two doses of MMR. The first dose must be administered on or after the first birthday. The second dose must be administered at least 28 days after the first dose.
HEP B Hepatitis B	**K-12** Three doses of hepatitis B. The second dose must be administered at least 28 days after the first dose. The third dose must be given at least 16 weeks after the first dose and at least eight weeks after the second dose. The last dose in the series (third or fourth dose) must not be administered before age 24 weeks.
VARICELLA (Chickenpox)	**K-12** Two doses of varicella vaccine must be administered prior to entry. The first dose must be administered on or after the first birthday. The second dose should be administered at least three months after the first dose; however, if the second dose is administered at least 28 days after the first dose, it is considered valid.
MCV4 Meningococcal	**Grade 7** One dose of meningococcal (serogroup A, C, W, and Y) vaccine must be administered prior to seventh grade entry. **All students grades 8-11 must have one documented dose of MCV4.** **Grade 12** Two doses of MCV4 by age 16 years, with a minimum interval of eight weeks between doses. If the first dose was given on or after the 16th birthday, only one dose is required. ****

NOTES:

- Vaccine should be administered according to the most recent version of the *Recommended Child and Adolescent Immunization Schedule for ages 18 years or younger* or the *Catch-up immunization schedule for persons aged 4 months-18 years who start late or who are more than 1 month behind,* as published by the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices. Schedules are available for print or download through www.cdc.gov/vaccines/schedules/index.html.
- Vaccine doses administered less than or equal to four days before the minimum interval or age are valid (grace period). Doses administered greater than or equal to five days earlier than the minimum interval or age are not valid doses and should be repeated when age appropriate. If MMR and varicella are **not** given on the same day, the doses must be separated by at least 28 days with no grace period.
- For additional information, please refer to the Ohio Revised Code 3313.67 and 3313.671 for school attendance and the ODH Director's Journal Entry on required vaccines for child care and school. These documents list required and recommended immunizations and indicate exemptions to immunizations.
- **Please contact the Ohio Department of Health Immunization Program at 800-282-0546 or 614-466-4643 with questions or concerns.**

** Recommended DTaP or DT minimum intervals for kindergarten students are four weeks between the first and second doses, and the second and third doses; and six months between the third and fourth doses and the fourth and fifth doses. If a fifth dose is administered prior to the fourth birthday, a sixth dose is recommended but not required.*

*** Tdap can be given regardless of the interval since the last tetanus or diphtheria-toxoid containing vaccine. Children age 7 years or older with an incomplete history of DTaP should be given Tdap as the first dose in the catch-up series. If the series began at age 7-9 years, the fourth dose must be a Tdap given at age 11-12 years. If the third dose of Tdap is given at age 10 years, no additional dose is needed at age 11-12 years.*

**** The final polio dose in the IPV series must be administered at age 4 years or older with at least six months between the final and previous dose.*

***** Recommended MCV4 minimum interval of at least eight weeks between the first and second doses. If the first dose of MCV4 was administered on or after the 16th birthday, a second dose is not required. If a pupil is in 12th grade and is 15 years old or younger, only one dose is required. Currently, there are no school entry requirements for meningococcal B vaccine.*

Ohio School Health History

To be used for Pre-and Elementary School

School _____

Enrolled _____

Child's Name	Gender	Age	Birthdate
	☐ Male ☐ Female		

Name of child's parent/legal guardian/s? _____

Parent/Guardian address _____

Home Phone number_____

Ethnicity

□ Caucasian □ African American □ Hispanic □ Asian American □ Other

Social Service History

Mark the box if you have contact with any of the following agencies:

□ Child/Protective Services If yes, Case worker's name _____

□ Legal/Court System

□ Family Counseling Services

□ Mental Health Provider

□ Other: _____

Mark the box if you or your child receive any of the following medical assistance:

□ SSI, Disability □ Healthy Start □ Insurance (Blue Cross/Blue Shield, HMO)

□ LEAP □ Medicaid/CHIP □ Other

Family History

Please list the first and last name of all the child's family members including parents and siblings.

Name	Birthdate	Gender	Health Concerns	Is the child in school?	If so, where?

Perinatal History

Did the mother have any unusual physical or emotional illness during this pregnancy? ☐ Yes ☐ No

If yes, explain briefly_____

How old was the mother when the child was born? _____

What was the infant's birth weight? _____lbs. _____oz. ☐ Full term ☐ Early ☐ Late

Did the infant have any sickness or problems? ☐ Yes ☐ No

If yes, explain briefly_____

Developmental History

Please give the approximate age at which this child: Walked alone _____ Spoke in sentences_____ Toilet trained _____ Dressed self _____
How does this child's development compare to other children, such as his/her siblings or playmates? □ About the same □ Delayed □Advanced

Allergies

Please list and describe allergies and reactions

Medications/Drugs
Foods/plants/animals/other
Recommended treatment if allergy is severe

Injuries, Illnesses and Hospitalizations

Please list any severe injuries, illnesses and hospitalizations including inpatient and outpatient surgical procedures

Injuries/Illness/Hospitalizations	Age	If hospitalized, please explain

Does your child always wear a seatbelt while riding in automobiles? □ Yes □ No

Does the student wear a helmet when bicycling, skating/rollerblading or riding a motorcycle? □ Yes □ No

Medication Information

Please describe any medications that your child takes daily and/ or frequently.

Medication	What is the medication taken for?	How often is the medication taken? What time is the medication administered?

Health Conditions

Please check any medical conditions that the child currently has or has had in the past.

- ☐ Abnormal spinal curvature (Scoliosis)
- ☐ Allergies/hayfever
- ☐ Anemia
- ☐ Anaphylactic reaction
- ☐ Asthma or wheezing
- ☐ Attention deficit disorder (ADD)
- ☐ Behavior problem
- ☐ Birth or congenital malformation
- ☐ Cancer type_____
- ☐ Chickenpox when _____
- ☐ Chronic Diarrhea or constipation
- ☐ Chronic ear infections
- ☐ Concern about relation with siblings or friends
- ☐ Cystic Fibrosis
- ☐ Diabetes
- ☐ Eczema/Chronic skin conditions
- ☐ Emotional Problems
- ☐ Eye problems, poor vision
- ☐ Frequent headaches
- ☐ Frequent sore throats
- ☐ Heart disease type_____
- ☐ Hemophilia
- ☐ Hepatitis
- ☐ HIV positive
- ☐ Hyperactivity
- ☐ Juvenile Arthritis
- ☐ Kidney disease type_____
- ☐ Measles (10 day)
- ☐ Meningitis or Encephalitis
- ☐ Mumps
- ☐ Mutism
- ☐ Near-drowning/Near-suffocation
- ☐ Nervous twitches or tics
- ☐ Poisoning
- ☐ Rheumatic fever
- ☐ Seizure disorder/Epilepsy
- ☐ Sickle Cell Disease
- ☐ Speech difficulties
- ☐ Stool soiling
- ☐ Toothaches or dental problems
- ☐ Tourette's Syndrome
- ☐ Urinary tract infections
- ☐ Wetting during the day or night

Behavioral History

The child is usually: ☐ very active ☐ normally active ☐ rather inactive

Has your child ever been violent or acted out in the following manner towards adults or children:

☐ hitting ☐ kicking ☐ biting ☐ fighting ☐ scratching

Do you have any concern about how your child gets along with other children?

_____

_____

Please add any comments or concerns you have about your child's health, development, behavior, family or home life that you would like the school to be aware of.

_____

_____

Is the student enrolled in a special education course? ☐ Yes ☐ No

If yes, please list _____

_____ _____

Parent/Guardian Signature Date

Instructions for the following Health forms:

1. Please take pages 4 and 5 (Physical Assessment) with you to your physician at the time of your child's physical. This physical form must be returned to Perry Elementary School's office prior to the first day of school.

2. Please take page 6 (Oral Assessment) to your dentist when your child has his/her yearly check-up and cleaning. This is optional, but highly recommended.

3. A green Request to Administer Medications form must be complete for ALL medications given at school. This includes over-the-counter medications (Tylenol, Advil, Benadryl and Tums, etc.)

    a.) If you feel your child will need to visit the clinic for Tylenol, Advil, Benadryl Tums during the course of the school year, please complete **both sides,** excluding the prescriber signature box, of the attached form (Request to Administer Medications). You are welcome to drop off a supply of over-the-counter medications to the clinic for the entire year with the completed form.

    b.) If your child will need prescription medication, please complete the **front and back** of the Request to Administer Medications form along with the **required prescriber's signature.**

All medications must be in the original container and be delivered by an adult to the school nurse.

If you have any questions, please contact the district nurse at 259-9600 x9671 or x9672.

Healthy Regards,

Susie McKoon, RN
